

**MISSION STATEMENT**

Our son, Luke, was vibrant and charming and touched many lives. We watched him overcome his early physical limitations and develop into a smart and engaging young boy. At age 4, he developed a rare pediatric cancer. Despite great medical care at Upstate University Hospital and abounding love from his family and friends, Luke died in May 2002.

We have established "Lukie's SOUL" as a way to honor Luke and all children who have lost their struggle with childhood illnesses.

Bringing Hope to Children

May 2017

Join Lukie's SOUL in helping sick and injured children at Upstate Golisano Children's Hospital by becoming a sponsor for the 15th annual Lukie's Holes "Fore" Hope Golf Open.

Lukie's Holes "Fore" Hope has raised nearly \$450,000 since 2003. With continued support from family, friends and golfers like you, the schoolroom in the children's hospital is named in Lukie's honor. Staffed by a full-time teacher, school-aged patients can continue their schooling, and with closed circuit connection, patients can interact with their classmates and teachers. Proceeds fund equipment updates and instructional materials, as well as a working "scrapbook" to help families and children understand their hospital stay. We are also supporting seminars for local schoolteachers to better relate to chronically ill children in the classroom. In 2014, funding supported naming an outpatient pediatric infusion/play area in the Upstate Cancer Center. In 2016, we supported the new pediatric emergency department with a naming for the Family Bereavement Room. We would not be able to make all this happen without your continued financial support. Thank you!

This year's tournament is July 15 at Woodcrest Golf Course in Manlius. See below for the many levels of sponsorship opportunities. For more information on becoming a sponsor or to reserve your foursome, please contact us at 315-430-3877.

We look forward to your support!

Many thanks,

Didi and Vinny Frechette Family
